**Re: Second Subscription Notification and Acknowledgement Status
and Compliance Report
WC Docket No. 05-196**

Ladies and Gentlemen:

This filing supplements the August 10, 2005, Subscription Notification and Acknowledgement Status and Compliance Report of Advantage Voice LLC, which was submitted to the Federal Communications Commission ("FCC") as required by the FCC's July 26, 2005, Public Notice, Enforcement Bureau Provides Guidance to Interconnected Voice Over Internet Protocol Service Providers Concerning the July 29, 2005 Subscriber Notification Deadlines (the "*July 2005 Public Notice*").

Advantage Voice LLC ("Advantage Voice") is a VoIP service provider located at 1612 Westgate Circle, Suite 222, Brentwood, Tennessee 37027. Advantage Voice began offering services during the March/April timeframe of 2005.

In accordance with the FCC's June 3, 2005, Order establishing E911 requirements for IP-Enabled Service Providers, and the subsequent pronouncements related thereto, Advantage Voice submits this *Second Subscription Notification and Acknowledgement Status and Compliance Report*. If any additional information is required or needed, we will be pleased to respond accordingly.

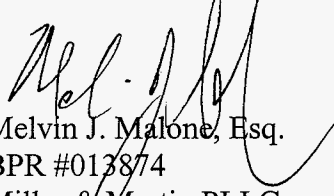

Among other things, the *July 2005 Public Notice* required VoIP providers to respond to seven (7) areas of inquiry. The primary purpose of this supplement is to update Advantage Voice's August 10, 2005, submission. Specifically, on or before August 26, 2005, Advantage Voice received the required affirmative acknowledgements from 100% of its subscribers.

Moreover, Advantage Voice has implemented policies and procedures to ensure that new subscribers submit affirmative acknowledgements and receive warning stickers or other appropriate labels warning subscribers if E911 service may be limited or not available, along

with instructions to place them on and/or near the customer premises equipment used in connection with Advantage Voice's VoIP service. All acknowledgements received from subscribers will be systematically maintained in Advantage Voice's offices.

Respectfully submitted,
